Additional information

About me

A young specialist with great enthusiasm and a desire to grow and develop in the field of software testing.

I am constantly developing, I like to follow the news and trends in the IT industry.

I completed the software testing(QA) courses in the Educational Studio "MyMonday".

I have good software skills and can find a common language with any person.

As a hobby, I like to play the piano, singing. I've graduated from a musical school. Also, I enjoy photography. I love taking photos of my friends but most of all my son.

I have been on maternity leave for the last few years.
